President's Report

Welcome comrades. Thanks to all for the successful showing of our Dragon Boat team. Well done paddlers, support team and organizers.

The branch is doing well with increased attendance at our events. As this success continues, it will enable us to meet expenses. The CCTV is installed and operational. The washroom doors in the Front Hall have been made Accessibility compliant. The Air Conditioning unit failed and has since been inspected and repaired.

Our parking lot repair will be a major expense. We are planning various fundraising exercises to support the funds that will be required.

President, Ian Simpson
